25X1

DDI 04711-85 20 September 1985

MEMORANDUM	FOR:	Director	of	Central	Intelligence
------------	------	----------	----	---------	--------------

Deputy Director of Central Intelligence

FROM:

Robert M. Gates

Deputy Director for Intelligence

SUBJECT:

DDI Activity Report 16 - 20 September 1985

DCI/DDCI Assigned Tasks	
	25X1
EURA provided the DCI with talking points on Spanish-US relations and the Danish political, economic, and security situation.	
OGI and NESA provided the DDCI with a chronology of Libyan troublemaking activity during 1980-85 and material on Libyan internal developments and Libya's aid to Iran. The DDCI requested this information for use in a meeting with Caspar Weinberger and Admiral Poindexter concerning US policy options and initiatives toward Libya.	
	25 X 6
OSWR produced a White Paper entitled Soviet Acquisition of Militarily Significant Western Technology: An Update. It was released at an 18 September Pentagon News Conference by Secretary of Defense Caspar Weinberger. OSWR production is not to be acknowledged publicly.	
Policy Support	_
	25X1
	25 X 1

ACIS attended an Interdepartmental Group concerning compatibility of the SDI program with the ABM Treaty and a recent House Intelligence Committee statement.

ALA completed a typescript on "The Organized Subversion of Human Rights in Nicaragua" for Assistant Secretary Abrams.

CPAS PDB briefers are preparing for a fair amount of travel over the next month in support of the Secretary of State. Mr. Shultz will be in New York for the UN General Assembly, off and on, from 23 September to 3 October. Later in October he plans trips to his farm in Massachussetts, Palo Alto, New York, Augusta, and Calgary, Canada.

CPAS is producing a Presidential briefing package on Soviet strategic defense programs, consisting of 24 graphics produced against a very tight deadline. Another 32 graphics and 5 maps are being prepared on the same topic for DCI review to support an associated publication.

The TV Center completed the video profile on Soviet Foreign Minister Shevardnadze. A copy has been made available to the DCI for viewing at home. The profiles on Gorbachev and his wife will be completed in mid-October. The teleproduction, "Soviet Internal Media's Portrayal of the US," is under way.

EURA distributed a typescript correctly predicting that Turkey would serve notice that it desires changes in the Defense and Economic Cooperation Agreement with the US.

At NSC request, EURA ran the Linked Policy Impact Model to test the effects of several contemplated US actions on trade

The results were incorporated with analytical submissions from other DI offices.

NESA analysts briefed State officials on Qadhafi's political prospects and vulnerabilities, and completed a typescript at the request of Assistant Secretary of Defense Richard Armitage entitled "Israel and Iran: The Ties That Bind." The paper traces the history of Israei arms sales to Iran from the post-Suez crises of 1956-57 to the present.

OCR prepared reports on the spouses of over 90 world leaders who will be attending the International Drug Abuse conference that Mrs. Reagan is sponsoring during the UN 40th Anniversary activities.

OEA and NIO/East Asia met with DAS Jim Lilley of State to discuss support for the Vice President's upcoming trip to China.

OGI provided the National Narcotics Border Interdiction System (NNBIS) with a threat assessment of the narcotics trade in

valuation, in a manner that emulates the Soviet viewpoint, of my NAASW sensors that are deemed to be technically feasible. OSWR's assessment of the personality and political behavior for Lee Kuan Yew was provided to the DCI and to State Department for inclusion in the briefing book for the Lee visit. SOVA hosted a briefing by Cdr. M. O'Brien of the CNO's trategy and Concepts office titled "Maritime Options in the entral Region." Cdr. O'Brien addressed potential roles for US trategy and the Marine Corps in a conventional war in trope and solicited our comments regarding his portrayal of the entry planning and possible Soviet reactions to US courses of the corps. SOVA briefed the Director of Naval Intelligence and other mior officials from the staff of the Chief of Naval Operations. Soviet crisis decisionmaking. ALA officers met with contractors to discuss research ojects OCR is receiving real-time Soviet TV service from FBIS stribution of Soviet TV throughout the Headquarters building.	OGI prepared a briefing package for the Administrator of tate/AID on African famine relief operations. The graphics are obe used to demonstrate to the President how classified and nolassified imagery collection systems have been used to support elief operations in western Sudan. The Nonacoustic ASW Program Office (joint DI and DS&T) osted its first meeting of the NAASW Sensor Evaluation Advisory and (SEAP). The SEAP is a panel of government and industry ASW adeling experts who advise us on how to conduct an operational valuation, in a manner that emulates the Soviet viewpoint, of my NAASW sensors that are deemed to be technically feasible. OSWR's assessment of the personality and political behavior Lee Kuan Yew was provided to the DCI and to State Department or inclusion in the briefing book for the Lee visit. SOVA hosted a briefing by Cdr. M. O'Brien of the CNO's crategy and Concepts office titled "Maritime Options in the intral Region." Cdr. O'Brien addressed potential roles for US wal Aviation and the Marine Corps in a conventional war in prope and solicited our comments regarding his portrayal of the intral Region." Cdr. O'Brien addressed potential roles for US wal Aviation and the Marine Corps in a conventional war in prope and solicited our comments regarding his portrayal of the intral region." Cdr. O'Brien addressed potential roles for US wal Aviation and possible Soviet reactions to US courses of the contractor of Naval Intelligence and other mior officials from the staff of the Chief of Naval Operations Soviet crisis decisionmaking.
